**BEFORE THE  
PUBLIC SERVICE COMMISSION  
OF SOUTH CAROLINA**

BellSouth Telecommunications,	)	
Incorporated d/b/a AT&T Southeast d/b/a	)	Docket No. 2010-16-C
AT&T South Carolina v. Tennessee	)	
Telephone Service, LLC d/b/a Freedom	)	
Communications USA, LLC	)	

**NOTICE OF COMMENCEMENT OF TREATMENT  
PURSUANT TO CURRENT INTERCONNECTION AGREEMENT**

BellSouth Telecommunications, Inc. d/b/a AT&T South Carolina (“AT&T South Carolina”) respectfully notifies the Public Service Commission of South Carolina (“the Commission”) that on June 18, 2010, AT&T South Carolina sent Tennessee Telephone Service, LLC d/b/a Freedom Communications USA, LLC (“Freedom”) a letter informing Freedom that unless it promptly pays AT&T South Carolina the past-due balance for services it has purchased from AT&T South Carolina, AT&T South Carolina will suspend, discontinue, and/or terminate Freedom’s service in South Carolina in compliance with the terms and conditions of the parties’ current interconnection agreement (“ICA”). Attachment A to this Notice is a redacted copy of that letter and its Attachments. In light of pending proceedings between AT&T South Carolina and Freedom before this and other State commissions in the southeastern states, AT&T South Carolina respectfully submits the following additional information to provide the Commission a more complete understanding of the facts that support AT&T South Carolina’s delivery of this letter to Freedom.

Freedom’s unpaid balance for services it has purchased from AT&T South Carolina pursuant to the ICA as of May 2010 is more than three times the amount of the balance as of April 2008. This disturbing and unacceptable trend has developed because each month, Freedom

pays only a tiny fraction of the amounts AT&T South Carolina bills it for services it purchases pursuant to the parties' ICA. For instance, the first attachment to AT&T South Carolina's letter to Freedom shows that during the six months from December 2009 through May 2010, inclusive, Freedom paid AT&T South Carolina **only one percent of the net amount billed.**<sup>1</sup> During the same time period, Freedom increased the volume of services it purchased from AT&T South Carolina by more than 29%.

AT&T South Carolina acknowledges that it has denied a number Freedom's requests for bill credits for various promotional offerings and that Freedom has disputed certain of those denials. Disputing amounts AT&T South Carolina has billed it for the services it has purchased, however, does not permit Freedom to withhold payment and saddle AT&T South Carolina with the significant risk that Freedom would be unable to pay those disputed amounts if those disputes are resolved in favor of AT&T South Carolina. That much is clear from the plain language of the parties' ICA.

That ICA, which Freedom negotiated with AT&T and which was submitted to this Commission for approval, states:

Payment of *all* charges will be the responsibility of Freedom Communications.<sup>2</sup>

Freedom Communications shall make payment to [AT&T] for all services billed *including disputed amounts.*<sup>3</sup>

Payment for services provided by [AT&T], *including disputed charges*, is due on or before the next bill date.<sup>4</sup>

---

<sup>1</sup> The "net amount billed" is the total amount billed less credits and other adjustments AT&T South Carolina applied to Freedom's bill during that time period.

<sup>2</sup> ICA, Attachment 7, p.6, §1.4 (emphasis added). Attachment B to this Notice is a copy of Attachment 7 to the parties' ICA.

<sup>3</sup> *Id.*, pp. 6-7, §1.4 (emphasis added).

<sup>4</sup> *Id.*, p.7, §1.4.1 (emphasis added).

The ICA also expressly allows AT&T South Carolina to protect itself against the risk of nonpayment by taking the suspension, discontinuance, and termination actions referenced in Exhibit A upon Freedom's continued refusal to pay the amounts AT&T South Carolina has billed it.<sup>5</sup>

Moreover, to the extent that any past due amounts are for services Freedom may have purchased under prior ICAs with AT&T South Carolina, Freedom's obligation to pay AT&T South Carolina all amounts billed, including those it disputes, extends to those amounts as well. The current ICA plainly states that that it "supersedes prior agreements between the Parties" and that "[a]ny orders placed under prior agreements between the Parties shall be governed by the terms of this Agreement . . . ."<sup>6</sup> Moreover, in the ICA, Freedom

*"acknowledges and agrees that **any and all amounts and obligations owed for services provisioned or orders placed under prior agreements** between the Parties, related to the subject matter hereof, shall, as of the the Effective Date, be **due and owing under this Agreement and be governed by the terms and conditions of this Agreement as if such services or orders were provisioned or placed under this Agreement.**"<sup>7</sup>*

Accordingly, Freedom is obligated to pay all amounts AT&T South Carolina has billed it pending the resolution of any disputes that may have been timely and appropriately presented by Freedom.

---

<sup>5</sup> See, e.g., *id.*, pp. 7-10, §§1.5 to 1.6.

<sup>6</sup> See General Terms and Conditions, pp. 18-19, §30.1. Attachment C to this Notice is a copy of this portion of the parties' current ICA.

<sup>7</sup> *Id.*, p. 19, §30.1 (emphasis added).

Respectfully submitted on this the 21<sup>st</sup> day of June, 2010.

## BILLING

### 1. Payment and Billing Arrangements

The terms and conditions set forth in this Attachment shall apply to all services ordered and provisioned pursuant to this Agreement.

- 1.1 BellSouth will bill through the Carrier Access Billing System (CABS), Integrated Billing System (IBS) and/or the Customer Records Information Systems (CRIS) depending on the particular service(s) provided to Freedom Communications under this Agreement. BellSouth will format all bills in CABS Billing Output Specification (CBOS) Standard or CLUB/EDI format, depending on the type of service provided. For those services where standards have not yet been developed, BellSouth's billing format may change in accordance with applicable industry standards.
  - 1.1.1 For any service(s) BellSouth receives from Freedom Communications, Freedom Communications shall bill BellSouth in CBOS format.
  - 1.1.2 Any switched access charges associated with interexchange carrier access to the resold local exchange lines will be billed by, and due to BellSouth.
  - 1.1.3 BellSouth will render bills each month on established bill days for each of Freedom Communications's accounts. If either Party requests multiple billing media or additional copies of the bills, the billing Party will provide these at the rates set forth in BellSouth's FCC No. 1 Tariff, Section 13.3.6.3, except for resold services which shall be at the rates set forth in BellSouth's Non-Regulated Services Pricing List N6.
  - 1.1.4 BellSouth will bill Freedom Communications in advance for all services to be provided during the ensuing billing period except charges associated with service usage and nonrecurring charges, which will be billed in arrears.
    - 1.1.4.1 For resold services, charges for services will be calculated on an individual End User account level, including, if applicable, any charge for usage or usage allowances. BellSouth will also bill Freedom Communications, and Freedom Communications will be responsible for and remit to BellSouth, all charges applicable to said services including but not limited to 911 and E911 charges, End Users common line charges, federal subscriber line charges, telecommunications relay charges, and franchise fees, unless otherwise ordered by a Commission.
  - 1.1.5 BellSouth will not perform billing and collection services for Freedom Communications as a result of the execution of this Agreement.
- 1.2 Establishing Accounts. After submitting a credit profile and deposit, if required, and after receiving certification as a local exchange carrier from the appropriate Commission, Freedom Communications will provide the appropriate BellSouth

Local Contract Manager responsible for new CLEC activation, the necessary documentation to enable BellSouth to establish accounts for Local Interconnection, Network Elements and Other Services and/or resold services. Such documentation shall include the Application for Master Account, if applicable, proof of authority to provide telecommunications services, the appropriate OCN for each state as assigned by the NECA, CIC, if applicable, ACNA, if applicable, BellSouth's blanket form LOA, Misdirected Number form, and a tax exemption certificate, if applicable. Notwithstanding anything to the contrary in this Agreement, Freedom Communications may not order services under a new account established in accordance with this Section until thirty (30) days after all information specified in this Section is received from Freedom Communications.

- 1.2.1 ACNAs. Freedom Communications shall provide BellSouth with documentation from Telcordia identifying the ACNA assigned to it by Telcordia (as applicable) in the same legal name as reflected in the preamble to this Agreement. Such ACNA will be used by Freedom Communications to order services pursuant to this Agreement and will not be shared by Freedom Communications with another entity.
- 1.2.2 Company Identifiers. If Freedom Communications needs to change, add to, eliminate or convert its OCN(s), ACNAs and other identifying codes (collectively "Company Identifiers") under which it operates when Freedom Communications has already been conducting business utilizing those Company Identifiers, Freedom Communications shall pay all charges as a result of such change, addition, elimination or conversion to the new Company Identifiers. Such charges include, but are not limited to, all time required to make system updates to all of Freedom Communications's End User records and any other changes to BellSouth systems or Freedom Communications records, and will be handled in a separately negotiated agreement or as otherwise required by BellSouth.
- 1.2.3 Tax Exemption. It is the responsibility of Freedom Communications to provide BellSouth with a properly completed tax exemption certificate at intervals required by the appropriate taxing authorities. A tax exemption certificate must be supplied for each individual Freedom Communications entity purchasing Services under this Agreement. Upon BellSouth's receipt of a properly completed tax exemption certificate, subsequent billings to Freedom Communications will not include those taxes or fees from which Freedom Communications is exempt. Prior to receipt of a properly completed exemption certificate, BellSouth shall bill, and Freedom Communications shall pay all applicable taxes and fees. In the event that Freedom Communications believes that it is entitled to an exemption from and refund of taxes with respect to the amount billed prior to BellSouth's receipt of a properly completed exemption certificate, BellSouth shall assign to Freedom Communications its rights to claim a refund of such taxes. If applicable law prohibits the assignment of tax refund rights or requires the claim for refund of such taxes to be filed by BellSouth, BellSouth shall, after receiving a written

request from Freedom Communications and at Freedom Communications's sole expense, pursue such refund claim on behalf of Freedom Communications, provided that Freedom Communications promptly reimburses BellSouth for any costs and expenses incurred by BellSouth in pursuing such refund claim, and provided further that BellSouth shall have the right to deduct any such outstanding costs and expenses from the amount of any refund obtained prior to remitting such refund to Freedom Communications. Freedom Communications shall be solely responsible for the computation, tracking, reporting and payment of all taxes and fees associated with the services provided by Freedom Communications to its End Users.

- 1.3 Deposit Policy. Prior to the inauguration of service or, thereafter, upon BellSouth's request, Freedom Communications shall complete the BellSouth Credit Profile (BellSouth form) and provide information to BellSouth regarding Freedom Communications's credit and financial condition. Based on BellSouth's analysis of the BellSouth Credit Profile and other relevant information regarding Freedom Communications's credit and financial condition, BellSouth reserves the right to require Freedom Communications to provide BellSouth with a suitable form of security deposit for Freedom Communications's account(s). If, in BellSouth's sole discretion, circumstances so warrant and/or Freedom Communications's gross monthly billing has increased, BellSouth reserves the right to request additional security (or to require a security deposit if none was previously requested) and/or file a Uniform Commercial Code (UCC-1) security interest in Freedom Communications's "accounts receivables and proceeds".
- 1.3.1 Security deposit shall take the form of cash, an Irrevocable Letter of Credit (BellSouth form), Surety Bond (BellSouth form) or, in BellSouth's sole discretion, some other form of security proposed by Freedom Communications. Any such security deposit shall in no way release Freedom Communications from its obligation to make complete and timely payments of its bill(s). If BellSouth requires Freedom Communications to provide a security deposit, Freedom Communications shall provide such security deposit prior to the inauguration of service or within fifteen (15) days of BellSouth's request, as applicable. Deposit request notices will be sent to Freedom Communications via certified mail or overnight delivery. Such notice period will start the day after the deposit request notice is rendered by certified mail or overnight delivery. Interest on a cash security deposit shall accrue and be applied or refunded in accordance with the terms in BellSouth's GSST.
- 1.3.2 Security deposits collected under this Section shall not exceed two (2) months' estimated billing. Estimated billings are calculated based upon the monthly average of the previous six (6) months current billings, if Freedom Communications has received service from BellSouth during such period at a level comparable to that anticipated to occur over the next six (6) months. If either Freedom Communications or BellSouth has reason to believe that the level of service to be received during the next six (6) months will be materially higher or

lower than received in the previous six (6) months, Freedom Communications and BellSouth shall agree on a level of estimated billings based on all relevant information.

- 1.3.3 In the event Freedom Communications fails to provide BellSouth with a suitable form of security deposit or additional security deposit as required herein, defaults on its account(s), or otherwise fails to make any payment or payments required under this Agreement in the manner and within the time required, service to Freedom Communications may be Suspended, Discontinued or Terminated in accordance with the terms of Section 1.5 below. Upon Termination of services, BellSouth shall apply any security deposit to Freedom Communications's final bill for its account(s).
- 1.3.3.1 At least seven (7) days prior to the expiration of any letter of credit provided by Freedom Communications as security under this Agreement, Freedom Communications shall renew such letter of credit or provide BellSouth with evidence that Freedom Communications has obtained a suitable replacement for the letter of credit. If Freedom Communications fails to comply with the foregoing, BellSouth shall thereafter be authorized to draw down the full amount of such letter of credit and utilize the cash proceeds as security for Freedom Communications accounts(s). If Freedom Communications provides a security deposit or additional security deposit in the form of a surety bond as required herein, Freedom Communications shall renew the surety bond or provide BellSouth with evidence that Freedom Communications has obtained a suitable replacement for the surety bond at least seven (7) days prior to the cancellation date of the surety bond. If Freedom Communications fails to comply with the foregoing, BellSouth shall thereafter be authorized to take action on the surety bond and utilize the cash proceeds as security for Freedom Communications's account(s). If the credit rating of any bonding company that has provided Freedom Communications with a surety bond provided as security hereunder has fallen below B, BellSouth will provide written notice to Freedom Communications that Freedom Communications must provide a replacement bond or other suitable security within fifteen (15) days of BellSouth's written notice. If Freedom Communications fails to comply with the foregoing, BellSouth shall thereafter be authorized to take action on the surety bond and utilize the cash proceeds as security for Freedom Communications's account(s). Notwithstanding anything contained in this Agreement to the contrary, BellSouth shall be authorized to draw down the full amount of any letter of credit or take action on any surety bond provided by Freedom Communications as security hereunder if Freedom Communications defaults on its account(s) or otherwise fails to make any payment or payments required under this Agreement in the manner and within the time, as required herein.
- 1.4 Payment Responsibility. Payment of all charges will be the responsibility of Freedom Communications. Freedom Communications shall pay invoices by utilizing wire transfer services or automatic clearing house services. Freedom

Communications shall make payment to BellSouth for all services billed including disputed amounts. BellSouth will not become involved in billing disputes that may arise between Freedom Communications and Freedom Communications's End User.

- 1.4.1 Payment Due. Payment for services provided by BellSouth, including disputed charges, is due on or before the next bill date. Information required to apply payments must accompany the payment. The information must notify BellSouth of Billing Account Numbers (BAN) paid; invoices paid and the amount to be applied to each BAN and invoice (Remittance Information). Payment is considered to have been made when the payment and Remittance Information are received by BellSouth. If the Remittance Information is not received with payment, BellSouth will be unable to apply amounts paid to Freedom Communications's accounts. In such event, BellSouth shall hold such funds until the Remittance Information is received. If BellSouth does not receive the Remittance Information by the payment due date for any account(s), late payment charges shall apply.
- 1.4.1.1 Due Dates. If the payment due date falls on a Sunday or on a holiday that is observed on a Monday, the payment due date shall be the first non-holiday day following such Sunday or holiday. If the payment due date falls on a Saturday or on a holiday which is observed on Tuesday, Wednesday, Thursday, or Friday, the payment due date shall be the last non-holiday day preceding such Saturday or holiday. If payment is not received by the payment due date, a late payment charge, as set forth in Section 1.4.1.2, below, shall apply.

Disputes that are not clearly explained or those that do not provide complete information may be rejected by BellSouth. Claims by Freedom Communications for damages of any kind will not be considered a billing dispute for purposes of this Section. If BellSouth resolves the billing dispute, in whole or in part, in favor of Freedom Communications, any credits and interest due to Freedom Communications as a result thereof shall be applied to Freedom Communications's account by BellSouth upon resolution of the billing dispute.

## **3. RAO Hosting**

- 3.1 Centralized Message Distribution System (CMD5) is a national message exchange system administered by Telcordia Technologies (Telcordia) used to transmit alternately billed calls (e.g., credit card, third number and collect) from the Earning Company, as defined herein, to the Billing Company, as defined herein, to permit the Earning Company and the Billing Company to receive appropriate compensation. It is also used to transmit access records from one company to another.
- 3.2 Direct Participants are Telecommunications carriers that exchange data directly with other Direct Participants via the CMD5 Data Center and may act as host companies (Host) for those Telecommunications carriers that do not exchange data directly via the CMD5 Data Center (Indirect Participants).
- 3.3 RAO Hosting is a hosting relationship where an Indirect Participant sends and receives CMD5 eligible messages to and from its Host, who then interfaces, on behalf of the Indirect Participant, with other Direct Participants for distribution and collection of these messages. RAO Hosting also includes the Direct Participant's provision of revenue settlements functions (compensation) for alternately billed calls based upon reports generated by Credit Card and Third Number Settlement (CATS) and Non-InterCompany Settlement (NICS) as described herein. CATS and NICS are collectively referred to as Intercompany Settlements.
- 3.4 The CATS System is a national system administered by Telcordia, used to settle revenues for calls that are sent from one CMD5 Direct Participant to another for billing. CATS applies to calls that originate within one Regional Bell Operating Company's (RBOC) territory, as defined at Divestiture, and bill in another RBOC's territory. CATS calculates the amounts due to Earning Companies (i.e., billed revenue less the billing and collection fee). For alternately billed calls, the originating company, whose facilities are used to place the call, is the Earning Company and the company that puts the charges on the End User's bill is the Billing Company
- 3.5 The NICS is the national system administered by Telcordia that is used in the settlement of revenues for calls that are originated and billed by two (2) different local exchange carriers (LEC) within a single Direct Participant's territory to another for billing. NICS applies to calls involving another LEC where the Earning Company and the Billing Company are located within BellSouth's territory.

- 3.7 Freedom Communications shall furnish all relevant information required by BellSouth for the provision of RAO Hosting, CATS and NICS.

- 3.8 Charges or credits, as applicable, will be applied by BellSouth to Freedom Communications on a monthly basis in arrears. Amounts due (excluding adjustments) are due on or before the next bill date.
- 3.9 Freedom Communications must have its own unique hosted RAO code. Where BellSouth is the selected CMDS interfacing host, Freedom Communications must request that BellSouth establish a unique hosted RAO code for Freedom Communications. Such request shall be in writing to the BellSouth RAO Hosting coordinator and must be submitted at least eight (8) weeks prior to provision of services pursuant to this Section. Services shall commence on a date mutually agreed by the Parties.
- 3.10 BellSouth will receive messages from Freedom Communications that are to be processed by BellSouth, another Local Exchange Carrier (LEC) in the BellSouth region or a LEC outside the BellSouth region. Freedom Communications shall send all messages to BellSouth no later than sixty (60) days after the message date.

- 3.15 Transmission of message data between BellSouth and Freedom Communications will be distributed via FTP mailbox. It will be created on a daily basis Monday through Friday, except holidays. Details such as dataset name and delivery schedule will be addressed during negotiations of the distribution medium. If BellSouth determines the Secure FTP Mailbox is nearing capacity levels, BellSouth may move Freedom Communications to CONNECT:Direct file delivery.
- 3.15.1 If Freedom Communications is moved to CONNECT:Direct, data circuits (private line or dial-up) may be required between BellSouth and Freedom Communications for the purpose of data transmission. Where a dedicated line is required, Freedom Communications will be responsible for ordering the circuit, overseeing its

installation and coordinating the installation with BellSouth. Freedom Communications will also be responsible for any charges associated with this line. Equipment required on the BellSouth end to attach the line to the mainframe computer and to transmit successfully ongoing will be negotiated on an individual case basis. Where a dial-up facility is required, dial circuits will be installed in the BellSouth data center by BellSouth and the associated charges assessed to Freedom Communications. Additionally, all message toll charges associated with the use of the dial circuit by Freedom Communications will be the responsibility of Freedom Communications. Associated equipment on the BellSouth end, including a modem, will be negotiated on an individual case basis between the Parties. All equipment, including modems and software, that is required on the Freedom Communications end for the purpose of data transmission will be the responsibility of Freedom Communications.

BellSouth will work with its connecting contractor and/or Freedom Communications, where necessary, to notify all affected LECs.
- 3.19 In the event that data to be exchanged between the two (2) Parties should become lost or destroyed, the Party responsible for creating the data will make every effort to restore and retransmit such data.
- 3.20 Should an error be detected by the EMI format edits performed by BellSouth on data received from Freedom Communications, the entire pack containing the affected data will not be processed by BellSouth. BellSouth will notify Freedom Communications of the error. Freedom Communications will correct the error(s) and will resend the entire pack to BellSouth for processing. In the event that an out-of-sequence condition occurs on subsequent packs, Freedom Communications will resend these packs to BellSouth after the pack containing the error has been successfully reprocessed by BellSouth.

- 3.21 In association with message distribution service, BellSouth will provide Freedom Communications with associated intercompany settlements reports (CATS and NICS) as appropriate.
- 3.22 Notwithstanding anything in this Agreement to the contrary, in no case shall either Party be liable to the other for any direct or consequential damages incurred as a result of the obligations set out in this Section 3.
- 3.23 Intercompany Settlements Messages
- 3.23.1 Intercompany Settlements Messages facilitate the settlement of revenues associated with traffic originated from or billed by Freedom Communications as a facilities based provider of local exchange telecommunications services.

BellSouth will remit the revenue billed by Freedom Communications within the BellSouth region to the LEC also within the BellSouth region, where the messages originated, less a per message billing and collection fee of five cents (\$0.05). These two (2) amounts will be netted together by BellSouth and the resulting charge or credit issued to Freedom Communications via a CABS miscellaneous bill on a monthly basis in arrears.
